

PUERTO RICO FUN FACTS

Capital: San Juan

Population: 3.2 million

Nickname: Island of Enchantment

Coqui (ko-kee)

The coqui, a small tree frog, is Puerto Rico's national animal. Choruses of male coquis can be heard from dusk until dawn all over the island.

Bomba (boh-m-bah)

Bomba is a traditional style of Puerto Rican music and dance that reflects the African heritage of the island.

Vejigante (bay-he-gahn-tay)

A vejigante is a folkloric character seen during festival celebrations. The characters march in parades wearing colorful masks and costumes.
